

## Laboratory Scale 3 Litre Conical Mixer Dryer Model CD80-3

The Conical Mixer Dryer Model CD80-3 has been specifically designed to enable simulation of full scale Conical Mixer Dryers. The mixer dryer incorporates :-

- SS316L or Alloy C22 Wetted Parts
- 3 Litre Wet Cake Capacity Chamber
- Electrically Driven Variable Speed Agitator
- Bottom Entry Drive System for compact design
- Dust Filter
- Vacuum Pump
- Shell and Tube Condenser
- Huber Heating and Chilling Units
- Condensate Receiver
- Weigh Scale
- Full PLC Control, Touch Screen Control and Data Logging
